TENDER FOR SUPPLY AND INSTALLATION OF MOTOR VEHICLE TRACKING SYSTEM.

(Framework Contract for two years)

(CITIZEN CONTRACTORS)

Rfx 5000016935

Date: 8th May, 2025

CLARIFICATION NO. I

In accordance with the 'Tender for Supply and Installation of Motor Vehicle Tracking System', KenGen hereby issues **Clarification No. I** as follows:

No.	Clarification Sought	KenGen's Response
1.	<p>Refer to subject - MR21 (Manufacture's Authorization for customization of the software to support our existing trackers (FMS500 StCAN). The manufacturer's authorization letter to be directly from the manufacturer and not from a third party and should be on official letterhead, signed and stamped, and with contacts (email and phone) of the person issuing for verification of validity.)</p> <p>The existing trackers have sim cards that are registered under the current supplier which is not transferred - meaning we will have to do the change physically in each tracker hence the cost implication, how will this be captured in the tender?</p>	<p>Manufacturers authorization should be from the owner of the software ,confirming they can customize the software to the requirements of the tendered including but not limited to customization of the software to support the FMS500StCan</p> <p>Bidders will have to supply their own sim cards to support the service. The incidental cost for this is to be covered under Item I of Price schedule A "Integration of the existing installed vehicle tracking units."</p>
2.	<p>Manufacturers issuing warranty on a third-party product - for how long have the trackers been in use? and what was its initial warranty period?</p>	<p>Trackers have been in use for about 6 years, Initial warranty was 3 years. Extended warranty can be purchased from duly authorized agents of the manufacturer</p>
3	<p>Could you please confirm which tracking devices are currently installed across your fleet, so we can ensure compatibility and accurately assess warranty extension options?</p>	<p>Bidder to refer to the technical specifications provided in the tender document as it is sufficient.</p>
4	<p>What ERP (Enterprise Resource Planning) software is your organization currently using to manage operations and fleet-related data?</p>	
5	<p>Can you provide a list of vehicle models and types currently in your fleet, including make, model, and year where possible?</p>	

BIDDER'S ACKNOWLEDGEMENT OF CLARIFICATION NO. I

We, the undersigned hereby certify that the Clarification is an integral part of the tender document and the alterations set out in addendum has been incorporated in the tender Proposal.

Signed

Bidder
