TENDER No. KGN-GDD-040-2025

**REQUEST FOR PROPOSAL FOR PROVISION OF CONSULTANCY SERVICES FOR UNDERTAKING
OPTIMIZATION STUDY OF THE GREATER OLKARIA GEOTHERMAL FIELDS**

(Open International)

Dated: 8th May, 2025

Clarification No.1.

In accordance with the **Request for Proposal (RFP) For Provision of Consultancy Services for Undertaking Optimization Study of the Greater Olkaria Geothermal Fields**, KenGen issues a **Clarification No. 1** as follows:

No	SECTION	BIDDERS CLARIFICATION	KenGen's RESPONSE
1.	SECTION 1 - REQUEST FOR PROPOSAL (RFP)	Submission Deadline: We request for an extension of the deadline to 30 May 2025	KenGen acknowledges the request however, we regret to inform you that the request for an extension has been declined due to the urgency of this procurement and the strict timelines to be adhered to. Kindly ensure that your bid is submitted on or before the tender submission deadline.
2.	SECTION 2. INSTRUCTIONS TO CONSULTANTS AND DATA SHEET	Request for Waiver of Conflict-of-Interest Provision Under Section 3.3 of the ITT. SLB has received the RFP document and noted the conflict-of-interest provisions that disqualify firms involved in consulting services for a project's preparation or implementation from bidding on related goods, works, or non-consulting services. SLB formally requests a waiver for this provision, emphasizing its ability to offer valuable goods and services to Kengen for the project's success. We assure that if it bids for additional services later, it will uphold integrity and transparency, avoiding conflicts of interest while adhering to ethical standards.	This requirement is a statutory requirement and shall not be waived
3.		Is there any external funding for the project to ensure there's no budget deficit like last time the bid was floated?	KenGen is financing the study internally from its budgetary allocation and is not sourcing for external funds.

SUPPLIER ACKNOWLEDGEMENT OF CLARIFICATION No.1

We, the undersigned hereby certify that the Clarification No.1 is an integral part of the document and the alterations set out in Clarification has been incorporated in the Tender Proposal.
