(KGN-GDD-204-2021)

Date: 28th January 2022

CLARIFICATION No. 1

In accordance with the Tender for Tender for Supply of Drill String Components, Fishing and Directional Tools for Geothermal Development Division, KenGen hereby issues Clarification No.1.

No.	Bidder's Question	KenGen Response
I	According to the technical evaluation, TR3 - Technical drawings showing the dimensional details of the components offered, should be provided, however, this is supplier's proprietary information and can't be shared publicly. Kindly advise.	The technical drawings, showing dimensional details, are meant to support technical datasheets for the items offered. Also, in cases where the items requested have custom dimensions not expressly included in the datasheet, the technical drawings are required to assess conformance of the offered component to the technical specifications. The detailed production drawings, which may be a proprietary information of the manufacturer, have not been requested.

ACKNOWLEDGEMENT OF CLARIFICATION NO. 1

We, the undersigned hereby certify that the clarification is an integral part of the document and the alterations set out in the clarification has been incorporated in the tender proposal.
