PREAMBLE TO THE TENDER

KenGen intends to procure Consultancy Services for Supervision and Management of the Olkaria VII Geothermal Power Project. This procurement process for the selection of Consultants will be carried out in a single stage, three envelope (Prequalification, Technical and Financial) International Competitive Bidding.

The Tender Document is classified in two parts;

1. Part 1 containing the prequalification bidding documents
2. Part 2 containing the Request for Proposal bidding documents

Bidders will duly complete and submit the application for Part 1 in a sealed envelope clearly marked **“PREQUALIFICATION FOR OLKARIA VII CONSULTANCY SERVICES”**

Bidders will also duly complete and submit the application for Part 2 in two separate sealed envelopes clearly marked **“TECHNICAL PROPOSAL FOR OLKARIA VII CONSULTANCY SERVICES- DO NOT OPEN WITH THE PREQUALIFICATION DOCUMENTS”**

and

“FINANCIAL PROPOSAL FOR OLKARIA VII CONSULTANCY SERVICES-DO NOT OPEN WITH THE TECHNICAL PROPOSAL”

This submission will be undertaken on the same date in line with the respective “Instructions To Consultants” contained in the two parts.

The processing of the Bids including evaluation shall be as detailed in the “Instructions To Consultants” contained in the two parts.

Submission of bids that do not contain the three separate envelopes as explained above shall be rejected.
