CLARIFICATION No. 3

In accordance with the **Request for Proposals (RFP) for consultancy services to undertake detailed design for administration building (one stop shop) and supporting infrastructure for the KenGen Green Energy Park in Olkaria, Naivasha– Kenya**, KenGen issues Clarification No. 3 as follows:

NO.	CLARIFICATION SOUGHT	KENGEN'S RESPONSE
1.	The Consultant seeks clarification regarding the form of Tender security. Addendum No. 3 Part 1 specifies that the tender security should be provided as an on-Demand Guarantee. However, the RFP Document shared includes a format for a tender securing declaration for (FORM TECH-9), which is typically used for consulting services offered by CONSULTANTS as opposed to Tender security for Construction services offered by CONTRACTORS. Please clarify whether the requirement for an on-Demand Guarantee stated in Addendum No. 3 overrides the inclusion of the Tender Securing Declaration Form in the RFP Document.	The requirement for an on-Demand Guarantee stated in Addendum No. 3 OVERRIDES the inclusion of the Tender Securing Declaration Form in the RFP Document.
2.	For some of the services provided by consultants if a firm is to be involved that is not a JV Partner would a letter of intent suffice to show engagement?	A Joint Venture AGREEMENT must be submitted for the entire engagement period and not a letter of INTENT
3.	For JV Parties , would one firm attending the site visit sufficient to show participation in the site visit?	Yes, attendance of the site visit by one party is sufficient
4.	We Request an Extension of the deadline at least with 3 Weeks form the submission date of 22 nd June 2023 to enable us prepare the financial and technical proposal.	An extension has already been granted in Addendum No.3

ACKNOWLEDGEMENT OF CLARIFICATION NO. 3

We, the undersigned, hereby certify that the clarification is an integral part of the document and the alterations set out in clarification have been incorporated in our tender document.
