(Open International)

22nd June 2023

CLARIFICATION No. 4:

In accordance with the **Request for Proposals (RFP) for consultancy services to undertake detailed design for administration building (one stop shop) and supporting infrastructure for the KenGen Green Energy Park in Olkaria, Naivasha– Kenya**, KenGen issues Clarification No. 4 as follows:

NO.	CLARIFICATION SOUGHT	KENGEN'S RESPONSE
1.	Notwithstanding your clarification No. 3 dated 19 th June 2023, that “ the requirement of an on-demand Guarantee stated in Addendum No. 3 OVERRIDES the inclusion of the Tender Securing Declaration Form in the RFP Document. ” The consultant requests the client to omit the requirement of a tender security and replace the same with the provision of a Professional Indemnity (PI) to cover all the client risks related to the implementation of the project. This is because consultants already have PIs to cover their professional services to the clients and therefore providing additional insurance cover will be double cover and hence too heavy on the side of the consultants.	Tender security shall be required during this procurement process. Professional indemnity shall only be provided by the SELECTED CONSULTANT as indicated in Clarification No. 1 issued on 9 th June 2023.
2.	Please clarify if need all members of the consortium must submit filled in forms if we are tendering as a consortium with subconsultants instead of a Joint Venture.	Yes, all members of a consortium shall be required to fill the Mandatory business questionnaire.
3.	We are bidding for the above opportunity and would like to visit the site as per the requirements of the RFP. Kindly confirm if we can have an opportunity to visit the site in the course of this week.	The MANDATORY site visit was conducted on 7 th June 2023 and there is no provision to conduct another one before bid closes.

ACKNOWLEDGEMENT OF CLARIFICATION NO.4

We, the undersigned, hereby certify that the clarification is an integral part of the document and the alterations set out in clarification have been incorporated in our tender document.
