**EXPRESSION OF INTEREST (EOI) FOR CONSULTANCY SERVICES FOR THE  
FEASIBILITY STUDY OF MAJOR HYDROPOWER PLANTS REHABILITATION  
(OPEN INTERNATIONAL)**

**Date: 29<sup>th</sup> November 2024**

**CLARIFICATION NO. 2:**

In accordance with the “**Expression of Interest (EOI) for Consultancy Services for the Feasibility Study of Major Hydropower Plants Rehabilitation**”, KenGen hereby issues Clarification No. 2 as follows

<b>No.</b>	<b>Bidder's Request for Clarification</b>	<b>KenGen's Response</b>
1	Please confirm that a combined report is to be submitted covering all plants and that individual reports are not required for each plant	This will be clarified in the RFP stage.
2	We understand that the requirement is for the O&M Engineer Expert to only have feasibility study level O&M experience and OE consultancy level experience. Kindly confirm our understanding or advise otherwise.	The Operations and Maintenance Engineer Expert must have experience in at least five (5) Hydro feasibility study or owner's engineer consultancies as a Mechanical expert.  The experience should be on feasibility studies or OE as a mechanical expert.
3	Audited Financial Statements for at least 3 years including tax registration and compliance certificates  Please advise if this is required for all subconsultants or only for the Lead Consultant	This is only required for Lead Consultant and not sub-consultants. For Joint Venture partnerships, this is required for each member of the JV
4	Information regarding any current litigation involving the consulting firm, certified by a reputable law firm	This is only required for Lead Consultant and not sub-consultants. For Joint Venture partnerships, this is required for each member of the JV

	Please advise if this required for all subconsultants or only for the Lead Consultant	
5	Certificate of Incorporation/Registration Please advise if this required for all subconsultants or only for the Lead Consultant	This is only required for Lead Consultant and not sub-consultants. For Joint Venture partnerships, this is required for each member of the JV
6	A duly notarized Consortium Agreement (if applicable) Please advise if sub-consultancy agreements must be provided in the event of a single Consultant (Lead) sub-consulting to other consultants If required for sub-consultancy agreements, please advise if an electronically signed ("non-notarized") interim sub-consultancy teaming agreement' will be acceptable. We would typically enter into an interim sub-consultancy agreement and upon contract award the final agreement would be entered into.	No sub-consultancy agreement is required. This requirement is for Consortiums and Joint Venture partnerships.

**BIDDER'S ACKNOWLEDGEMENT OF CLARIFICATION NO. 2**
