(Women Enterprise)

Dated: 14th March, 2023

Clarification No.1.

In accordance with the **Tender for Supply of Directional Drilling and Fishing Tools**, KenGen issues a **Clarification No. 1** as follows:

No.	BIDDERS CLARIFICATION	KenGen's RESPONSE
1	<p>TR3 – Technical Drawings</p> <p>According to the technical evaluation, TR3 - Technical drawings showing the dimensional details of the components offered must be provided.</p> <p>However, our supplier's technical drawings are deeply vested in their compendium of intellectual work and intellectual property and are 100% classified and therefore submission of these drawings would be a breach to their century standing Corporate Policies on intellectual property protection rights.</p> <p>Kindy advise.</p>	<p>The technical drawings requested for are specific to the dimensional details of the <u>final components/product</u> offered by the bidder and <u>not</u> the design details of the manufacturer.</p> <p>Kindly provide as specified in the tender document.</p>

SUPPLIER ACKNOWLEDGEMENT OF CLARIFICATION NO.1

We, the undersigned hereby certify that the Clarification No.1 is an integral part of the document and the alterations set out in Clarification has been incorporated in the Tender Proposal.
