TENDER FOR SUPPLY OF NCG REMOVAL SYSTEM SPARES FOR OLKARIA II POWER STATION

(Citizen Contractors)

Dated: **22nd March, 2023**

Clarification No.1.

In accordance with the **Tender For Supply Of NCG Removal System Spares For Olkaria II Power Station**, KenGen issues a **Clarification No. 1** as follows:

No.	BIDDERS CLARIFICATION	KenGen's RESPONSE
1	<p>According to the Technical Evaluation On Capacity To Deliver The Contract, the warranty period is 12 months from first use of the items.</p> <p>However, upon delivery of the spares, KenGen may not install the spares and have them stored instead of immediate installation or use. Bidder/manufacturer should not be liable to the above mentioned warranty as the conditions of proper storage are not guaranteed. Therefore, we are kindly requesting the warranty to be based upon delivery of the spares as this is the standard industry practice</p>	<p>The warranty provisions shall be maintained as stipulated in the tender.</p> <p>We will install the items when delivered.</p>

SUPPLIER ACKNOWLEDGEMENT OF CLARIFICATION NO.1

We, the undersigned hereby certify that the Clarification No.1 is an integral part of the document and the alterations set out in Clarification has been incorporated in the Tender Proposal.
