TENDER FOR SUPPLY OF DIRECTIONAL DRILLING AND FISHING TOOLS.

(Citizen Contractors)

Dated: 17th April, 2024

Clarification No.1

In accordance with the **Tender for Supply of Directional Drilling and Fishing Tools**, KenGen issues **Clarification No.1** as follows:

No.	Bidder's Question	KenGen's Response
1	Will Non-Magnetic Drill Collars (NMDC) and Universal Bottom Hole Orienting (UBHO) Subs be required because they are essential to run the system?	<p>YES. 2 pieces of NMDC and 2 pieces of UBHO subs compatible with the MWD tools shall be required.</p> <p>The NMDCs shall be 8" OD, 30ft long and with 6 5/8" API REG connections. The bore for the NMDC shall be ideal for running the MWD tools.</p> <p>The UBHO subs shall be 8" OD by 40-45 inches long with 6 5/8" API REG connections. The bore for the UBHO subs shall be ideal for running the MWD tools.</p> <p>The costs of the above two sets of NMDC and UBHO subs shall be included in the total price of the MWD equipment.</p>

SUPPLIER ACKNOWLEDGEMENT OF CLARIFICATION NO.1

We, the undersigned hereby certify that the Clarification No.1 is an integral part of the document and the alterations set out in Clarification has been incorporated in the Tender Proposal.
