**TENDER FOR SUPPLY OF PNEUMATIC HOSES, PNEUMATIC TOOLS AND POWER TOOLS FOR
WELLHEADS POWER STATION.**

(Youth Enterprises)

Dated: 15th June, 2023

Clarification No.1.

In accordance with the **Tender for Supply of Pneumatic Hoses, Pneumatic Tools and Power Tools for Wellheads Power Station**, KenGen issues a **Clarification No. 1** as follows:

No.	BIDDERS CLARIFICATION	KenGen's RESPONSE
1	Regarding Item Nos. 14 to 17, the Equipment comes together with the Carrying Case. However, you have requested for a Toolbox too. Please advise the Specifications and the Contents required for the Toolbox.	Regarding Item Nos. 14 to 17, there will be no requirement to supply an extra toolbox for this tender. All the other items described should be quoted for, and datasheets attached and marked where necessary.
2	We humbly request you to review Mandatory requirement number 17 and the same is repeated on the technical evaluation TR1 manufacturer Evaluation. Please note these are straightforward tools that have dealers in the Kenya market and can be bought off-shelf. On the same note, Local dealers are hesitant to get the manufacturer's Authorization for us stating that they are the sole authorized distributors.	If the items are sourced from a local dealer authorized by a manufacturer, the local dealer can provide the bidder with the authorization to bid for the tender. The sole authorization between the said manufacturer and the local dealer MUST be attached too.
3	Requesting for Tender Extension Date to 30th June 2023.	Due to urgency of this procurement, the request for extension has not been granted

SUPPLIER ACKNOWLEDGEMENT OF CLARIFICATION NO.1

We, the undersigned hereby certify that the Clarification No.1 is an integral part of the document and the alterations set out in Clarification has been incorporated in the Tender Proposal.
