TENDER FOR RENEWAL AND UPGRADE OF GEOPHYSICS SOFTWARE.

(Citizen Contractors)

Dated: 22nd November, 2023

Clarification No.1.

In accordance with the **Tender for Renewal and Upgrade of Geophysics Software**, KenGen issues **Clarification No.1** as follows:

	BIDDERS CLARIFICATION	KenGen's RESPONSE
1.	According to the Schedule of Requirements, you have indicated the software that is required- 'Dongle (Geophysics Software)'. Kindly advise on the software which is being used currently that requires upgrading/being renewed.	1. Dongle is a small device that plugs into a computer and serves as an adapter or as a security measure to enable the use of certain software and in this case the software specified on the tender document will have a license inform of a dongle. 2. The details are well captured on the technical specification in the tender document page 60 & 61 hence get guidance from the technical specification on which type of software we need.

SUPPLIER ACKNOWLEDGEMENT OF CLARIFICATION NO.1

We, the undersigned hereby certify that the Clarification No.1 is an integral part of the document and the alterations set out in Clarification has been incorporated in the Tender Proposal.
