Date: 12th October 2022

CLARIFICATION No. 2

In accordance with the **Tender for Supply of Drill String Inspection and Repair Services for Geothermal Development Department**, KenGen hereby issues **Clarification No.2**.

No.	Bidder's Question	KenGen's Response
1	<p>The requirements are for the regions of Kenya, Ethiopia and Djibouti. Kindly confirm are these scopes are about to be executed simultaneously or one after another.</p>	<p>The requirements for Kenya shall be executed independently and not related to the scope of works in Ethiopia and Djibouti.</p> <p>The requirements for Ethiopia and Djibouti shall be executed on need basis. The requirements therefore may not necessarily be executed simultaneously.</p> <p>Should the requirements for Ethiopia and Djibouti be needed at the same time, KenGen will allow the successful bidder to complete works in Ethiopia and then proceed to Djibouti or vice versa.</p>
2	<p>We as a foreign bidder, have the permanent facility which is API certified, is located in UAE. We are fully equipped to do all kind of drill string and BHA tools inspection and repair here at the facility in UAE. Kindly confirm is it acceptable to bid on the basis of this to execute in our UAE facility.</p> <p>If the above suggestion is not acceptable, we have a mobile drill pipe rethreading and tools repair facility (which includes a lathe, pipe handling system, phosphating system and other necessary tools) which we intend to mobilize to the site and execute the inspection and repair services. The same which your team are welcome to</p>	<p>Considering the logistics for imports and exports drill string & BHA tools, and the short timelines that some rethreading services may be requested; evaluation shall only be based on the locally existing facility in Kenya as per the technical requirements TR9.</p> <p>Due diligence shall be conducted on either the permanent or mobile rethreading facility in Kenya.</p>

	inspect at our UAE facility during due diligence.	
3	Kindly requesting to extend the bid submission date till 31 Oct 2022	An extension of the bid submission date was already granted up to 25 th October 2022 as per Addendum No.1 uploaded on our website. Given the urgent requirement for the services, any further extension is not allowed.

ACKNOWLEDGEMENT OF CLARIFICATION NO. 2

We, the undersigned hereby certify that the clarification is an integral part of the document and the alterations set out in the clarification has been incorporated in the tender proposal.
