TENDER FOR SUPPLY OF CISCO ACTIVE DEVICES
(CITIZEN CONTRACTORS)**

Date: 15th May, 2024

CLARIFICATION NO.2

In accordance with the ‘Tender for Supply of Cisco Active Devices’, KenGen hereby issues **Clarification No. 2** as follows:

	<u>Bidders Clarification</u>	<u>KenGen Response</u>
I	Dear KenGen Procurement Team "We need some clarification on the DNAC Solution. The tender doc specifies two DNAC Appliances. The deployment setup can either be Standalone (One node only) or Cluster mode (Three nodes). Do you intended to run each of the two Appliances in Standalone setup?"	This shall be implemented as single (one node/standalone). One shall be deployed at primary site and the other at the DR site and the winning firm shall do the implementation.

BIDDER’S ACKNOWLEDGEMENT OF CLARIFICATION NO.2

We, the undersigned hereby certify that the Clarification is an integral part of the document and the alterations set out in Clarification has been incorporated in the tender Proposal.

Signed

Tenderer
