KGN-GDD-074-2024

TENDER FOR SUPPLY, INSTALLATION AND COMMISSIONING OF NEW 2000 HP VFD ELECTRIC WALKING LAND DRILLING RIG WITH TOP DRIVE AND ASSOCIATED EQUIPMENT.

(Open International)

Dated: 8th July, 2024

Clarification No.1

In accordance with the **Tender for Supply, Installation and Commissioning of New 2000 HP VFD Electric Walking Land Drilling Rig with Top Drive and Associated Equipment**, KenGen issues **Clarification No.1** as follows:

No.	Bidder's Question	KenGen's Response
1	Would you please share more details of the tender and related documents for KGN-GDD-074-2024 for a 2000hp land rig?	The details of the tender are provided in the tender document. Section V schedule of requirement which gives the minimum technical specifications requirements of the rig.
2	According to the Invitation to Tender, on Pg. 2 of the Tender Document, it is stated that "The tender is specific to Rig Manufacturers Only (Open International) ." However, we wish to seek clarification if bidders who are not Rig Manufacturers can bid as long as they provide all the required documentation since most of the major rig manufacturers have stated that they would prefer bidding through local companies. Kindly clarify.	The Tender is specific to rig manufacturers only . Bidders must provide proof of eligibility and qualification.
3	We request for an extension of the tender till end of July.	Refer to Addendum No.1 uploaded on our website

SUPPLIER ACKNOWLEDGEMENT OF CLARIFICATION NO. 1

We, the undersigned hereby certify that the Clarification No.1 is an integral part of the document and the alterations set out in Clarification has been incorporated in the Tender Proposal.
