**KGN-OLK-019-2024**

**TENDER FOR SUPPLY OF VENT STATION VALVES FOR OLKARIA II POWER STATION.**

**(Women Enterprises)**

**Dated: 19<sup>th</sup> March, 2024**

**Clarification No.1.**

In accordance with the **Tender for Supply of Vent Station Valves for Olkaria II Power Station**, KenGen issues **Clarification No.1** as follows:

	<b>BIDDERS CLARIFICATION</b>	<b>KenGen's RESPONSE</b>
1.	In the tender document, it mentions FISHER.  Does this imply the valve brand has to be specifically FISHER?	The tender mentions Fisher as the existing valve model. However, other models are acceptable if they meet all the technical specifications, stated standards, and classes and are compatible with the specified pipeline sizes.
2.	Kindly advise on the following for the valves:- 1. What's the type of material 2. The pressure level 3. Whats the temperature 4. What is the modulating type 5. How is the end connection 6. Kindly provide a picture of the existing ones	<ul style="list-style-type: none"><li>• Please refer to 'Section VI—Schedule of Requirements' in the tender document. This section highlights the valve body material type, operating temperature ranges, end connections, and modulating specifications.</li></ul>

**SUPPLIER ACKNOWLEDGEMENT OF CLARIFICATION NO.1**

We, the undersigned hereby certify that the Clarification No.1 is an integral part of the document and the alterations set out in Clarification has been incorporated in the Tender Proposal.
