RFx: 5000010974

**REQUEST FOR PROPOSAL (RFP) FOR PROVISION OF CONSULTANCY SERVICE FOR MATERIAL MASTER DATA MANAGEMENT AND GOVERNANCE SERVICE.**

(Open International)

Date: 9<sup>th</sup> November, 2022

## CLARIFICATION NO.3

In accordance with the “Request for Proposal (RFP) for Provision of Consultancy Service for Material Master Data Management and Governance Service’.” KenGen hereby issues **Clarification No.3**

No	CLARIFICATION SOUGHT	KenGen’s RESPONSE
1	Is KENGEN open for a cloud solution whereby data will be residing out of Kenya?	Yes - guided by the Data protection Act where applicable and confidentiality agreements made should be honoured.
2	What material types is KenGen wanting to govern? Could they please provide a list including a description of the material type, and approximate record count for each?	Bidders should consider the Material types provided in SAP. The Material master records are distributed across the different material types provided by SAP adding up to the 75,000 SKU provided in the RFP document.
3	Reference to Technical Evaluation of the firm point D: Is that expected material cleansing and duplicate check will be performed by the special developed tool? Or	Bidder will be expected to demonstrate practically their capability to cleanse, de-duplicate and enrich using sample data provided.

	methodology can be presented instead? Normally cleansing of materials shall be tailored to the Company's business processes (SPIR, follow up materials, material predecessors etc) and combination of Tools and Methods are used.	
4	What version of SAP is used by KenGen SAP ECC or SAP S4 HANA?	SAP ECC
5	Ref to page 58 point (f). Factor in material descriptions data remediation process for duplicated, incomplete, and missing attributes in readiness for SAP Production environment upload and go-live. Could you please specify what kind of values is expected to be filled in. International standards dictates the requirements to the characteristics, but not it's values.	The requirement is to provide the characteristics/attributes associated with a material item. The values to be populated during the cleansing/enrichment process will be guided by the actual material identified for completeness.

**ACKNOWLEDGEMENT OF CLARIFICATION No.3**

We, the undersigned hereby certify that the clarification is an integral part of the document and the alterations set out in the clarification have been incorporated in the RFP proposal.
