TENDER FOR REPAIR, RE-METALING AND MACHINING OF BEARINGS, OIL SEALS AND OIL DEFLECTORS *Framework Contract for Three (3) Years* (Open National)

Date: 20th April, 2023

Clarification No. 1

In accordance with the **Tender for Repair, Re-Metaling and Machining of Bearings, Oil Seals and Oil Deflectors**, KenGen issues **Clarification No. 1** as follows:

No	Bidders Request for Clarification	KenGens Response
1.	Submission of datasheets during bidding.	It is a MANDATORY requirement to attach a brochure/ catalogues/ product data sheet for each item quoted, for new parts to be supplied. For catalogue/ brochures with several item options, Bidder is required to mark out clearly the specific items they intend to supply/ have quoted for.
2.	Attachment of delivery notes of a similar value.	The bidder may attach a delivery note, signed contract or any other documentation, that will allow KenGen verify the correctness of the details therein if it will be necessary.
3.	Requirement for 3 years Audited Accounts.	Bidders will submit copies of their audited financial statements by a registered audit firm for the last one (1) year and must demonstrate the current soundness of the Bidder's financial position and its prospective long-term profitability.
4.	Please clarify whether dynamic balancing will be done at high speeds or at low speeds.	The balancing will be done at low speeds

5	Some items did not have the drawings attached, and there were no estimated quantities.	Please refer to the new requirements and price lists as annexed. The drawings have also been updated on the website.
