TENDER FOR SUPPLY OF UNIFORMS, PROTECTIVE CLOTHING AND FOOTWEAR (Women Enterprise)

Date: 17th July, 2024

Clarification No. 2

In accordance with the tender for ‘Supply of Uniforms, Protective Clothing and Footwear’ KenGen hereby issues **Clarification No. 2** as follows.

No.	Bidder's Request for Clarification	KenGen's Response
1	After accessing the system, there is a difference between the number to be supplied in the tender document and the ones reflecting in the system. Which one do we work with?	Please bid as per quantities contained in the price schedule of the tender document.
2	We wish to request you for samples branding exemption at the tender submission date but the complete branded sample will be presented once one is qualified, for your information if this is required during bidding stage this will be a loss to bidders who are not qualified as the samples when branded can't be used elsewhere because of KENGEN branding.	The requirement on sample submission has be amended as per addendum No. 2: Sample submission is not a requirement during tender submission. Only the winning bidder(s) (after evaluation) will be required to submit samples for approval before contract award.
3	The requirement on LOT 3&4 that we submit the tender together with the sample is not tenable for the reason that this items are to be imported from outside Kenya and are currently not available locally. Can we be allowed to submit brochures and pictorials instead?	The requirement on sample submission has be amended as per addendum No. 2: Sample submission is not a requirement during tender submission. Only the winning bidder(s) (after evaluation) will be required to submit samples for approval before contract award.

BIDDER'S ACKNOWLEDGEMENT OF CLARIFICATION NO. 2

We, the undersigned, hereby certify that the clarification is an integral part of the document and the alterations set out in clarification have been incorporated in our tender document.
