(CITIZEN CONTRACTORS)

Date: 9th December, 2024

clarification No.2

In accordance with the **Tender for Supply of Bushes for Masinga Power Station**, KenGen hereby issues **clarification No.2** as follows.

	BIDDERS QUESTION	KENGEN RESPONSE
1	<p><u>1) MR19: Audited annual accounts:</u> Our audit for last 3 years is currently in process at the auditors and would not be ready for submission with the tender due date, so we request if it is acceptable to submit Management Accounts in absence of the last 3 years audited accounts.</p>	<p>Please note that this is an Open Tender and all bidders must meet the requirements as set out in the tender document. You are required to respond as per the requirements in the tender document. This requirement shall remain as indicated in the tender document.</p>
2	<p><u>2) MR20: Financial Ratios</u> With the prevailing poor economic conditions in the country for the last few years it is difficult for many companies to meet the requirements of Financial Ratios as listed in the Mandatory Requirements. We would request to delete this Mandatory Requirement or give permission to submit Letter confirming Line of Credit from our bank. We would humbly request your consideration to our request for clarifications on MR19 and MR20, and hope that it can be accepted.</p>
